Projects

Portfolio, *Unveiling a Tapestry of Accomplishments and Creativity.*   05/2023
- Showcasing my journey through diverse projects, each a milestone of creativity and expertise.
- Elevating User Engagement: Utilizing dynamic slideshow magic, captivating web pages that captivate visitors with their creativity and interactivity, transforming online experiences into captivating journeys that leave a lasting impression.

Live Volume Gesture Control, *Shaping Sound with Your Hands*   06/2023
- With my innovative project, I've woven the magic of MediaPipe, OpenCV, and Python into an experience that lets you control sound as if by magic.
- Gestures become your orchestra's conductor, and technology becomes your symphony.

Farmers Trade With Organisation (FTWO), *Empowering Agriculture: Farmers*   06/2023
Flourishing Exchange with Progressive Organizations
- By harnessing cutting-edge web services, I've eliminated intermediaries, enabling farmers to cultivate direct connections with organizations.

Community Involvement

NSS Club, *Design and Social Media Manager*
- Adeptly categorized assets, selected prime content, and safeguarded files impeccably and Innovating campaigns as part of a dynamic club team

Fine Arts Club, *Brushstrokes of Creativity: Unleashing Artistry through the Fine Arts Club*
- Collaborated with fellow artists to curate exhibitions, organize WS and cultivate a vibrant artistic community.
